MAMSS Fall 2026 Conference

A Season of Change – Navigating What’s Next in Regulation, Compliance, Quality & the MSP Profession

Join MAMSS for our Fall 2026 Conference as we bring together national experts and industry leaders to explore the regulatory, compliance, quality, and professional issues shaping the work of MSPs today and into the future.

This year’s program will feature representatives from The Joint Commission, the Office of Inspector General, the National Practitioner Data Bank, and the Centers for Medicare & Medicaid Services, along with NAMSS Director at Large Dustin Jackson, providing updates, insights, and perspectives on what MSPs need to know as our profession continues to evolve.

We’ll close the day with our MAMSS Business Meeting, including association updates and what’s ahead for our Maryland MSP community.

A day of learning, connection, and conversation designed to help MSPs stay informed, prepared, and—most importantly—at the table as healthcare continues to change.

Registration Costs & Details
